

AIRPORT ALERT

Tenant Notification

DATE: November 17, 2000
TO: King County International Airport Tenants
FR: Cynthia Stewart, KCIA Airport Manager *CS*
RE: Temporary Facility Closures

NOTAM TO BE ISSUED

**Both runways at the King County International Airport
are scheduled to be closed to all fixed-wing operations
during the following dates and times:**

Mon., Nov. 20, 0100 hrs. to 0330 hrs. PST

Mon., Nov. 20, 2300 hrs. to Tues., Nov. 21, 0300 hrs. PST

Tues., Nov. 21, 2300 hrs. to Wed., Nov. 22, 0300 hrs. PST

We apologize for the impacts on all operators, but these closures are unavoidable. They are required to permit temporary drilling operations midfield, adjacent to both runways. We have carefully reviewed our operational records and have selected these times to minimize the impacts to our tenants. We are also taking precautionary measures to assure a prompt return to normal operations at the defined times.

Please check NOTAMs to confirm closure details.
For more information, call Mike Colmant, Asst. Airport Manager, 296-7453.
